FOREWORD

Towers can be found all about our campus, not just rising over the auditorium and its lion sentry to scrape the clouds with a spire, correcting tests, doing homework, practicing music, or pacing 10 laps seem to form their own towers in front of faculty and students. Yet each of these structures, whether paper or steel, recalls memories of our year 1957-58. To dispel the dimness hiding our recollections, ascend, one by one, the steps of our Cauldron tower of memories.

The background of the entire page is a black and white photograph of several oil drilling rigs (jack-ups) positioned in the ocean. The rigs are tall, lattice-structured towers with platforms at the top. The sea is visible with some whitecaps, and the sky is filled with clouds. The overall tone is industrial and maritime.

ADMINISTRATION

Increased enrollment is only one of many problems that form a tower before our administrators. All difficult situations find their way to the desks of these men who are fast becoming experts in dealing with them. Although new to their positions as superintendent and vice-principal, Mr. Lance and Mr. Flanagan, along with their assistant administrator, Mr. Anderson, have successfully removed this tower.

GERALD LANCE
Superintendent

COUNSELORS

Also facing the tower of more students and with them more guidance problems were our counselors. To help solve this problem and to help fill vacancies three new counselors were added, one for each class. They have worked tirelessly to conquer their tower and to help us.

SCHOOL

Food, transportation, and grounds are the towers confronting the cafeteria and snack bar workers, the bus drivers, and custodians. Without their constant service our school could never have withstood the rigors of the past year. The entire student body is deeply indebted to these people who have rendered their time and services to us.

STAFFS

Over 1700 student records is the tower faced by the office staffs. Few students realize the tremendous job these people have in keeping up these folders in the attendance, administration, and counseling offices. Many thanks go to the helpers who have worked so tirelessly for the benefit of all.

STUDENT BODY OFFICERS

Meeting the difficult decisions and problems of running the student government were these three seniors and one junior. Their tower was perhaps the tallest one of all but with the forming of new committees and new methods of governing they have worked with the administration to provide the student body many benefits. Their actions and creed rises from the ruins of a surmounted tower.

EXECUTIVE BOARD

This group of officers and representatives also faced many decisions concerning the welfare of the student body. Careful thought and planning on their part led the students through an enjoyable year.

C.A.S.C.

C.A.S.C. districts all over California faced a tower of school government problems. Representing Huntington Beach at conventions and conferences about these problems were Larry Hannah, who was elected District 21 Treasurer, Jan Chamberlain, and Roger Williams. These three formed an unbeatable combination in overcoming this tower of difficulties.

TRAFFIC BOARD

'Run, don't walk! Don't pick up your candy wrapper, just throw it on the ground. Light a firecracker or set fire to a trash can.' Any one of these activities, if spotted by an "agent", offered you this past year an opportunity to visit Bob Polis and his "underground police force." The peaceful halls were closely guarded and many offenders learned the right way after a sojourn on the "Rock." Yep, the Traffic Board did a purdy good job of keepin' law an' order on the ol H.B.U.H.S. grounds.

CLASSES

Huntington High's landmark—its tall and majestic tower can be seen by the students as they enter the grounds from every corner of the district.

SENIORS

Towering moments lie behind these seniors — things never to be forgotten. At last they have reached the top rung, able to look back on things both pleasant and unpleasant, comprising their years of high school life. The Prom, football games, basketball, and graduation—towering moments for a class that has towered above all others.

JUNIORS

This year's junior class has performed a grand job in keeping their part of our tower strong. The juniors produced one of the best proms we have had and did an excellent job in participating in and supporting student body activities. Next year, as seniors, they will have reached the height of their tower. It looks like they will have a big job ahead of them if they are to keep up the pace set by the class of '58.

SOPHOMORE

Usually quiet, this year's sophomore class got off to a roaring start. The sophomores really worked hard in putting on the Sadie Hawkins' dance, working in concessions, and taking an active interest in school activities. They have been a real asset to our tower and should continue to be if they keep up the good work.

New head coach Vern Vallerkamp and new line and backfield coaches Ken Moats and Ken Duddridge formed one of the best spirited Oiler teams in many years.

H.B. after weeks of hard practice fielded a small, but rugged team that dumped Laguna Beach 26 to 12 in their opening game of the season. The Oilers were then struck by the flu bug, but managed to battle Tustin to a 7 to 7 tie. The following week the Oilers, underdogs by 3 touchdowns, met Santa Ana and turned the tables with a 26 to 7 victory over the Saints.

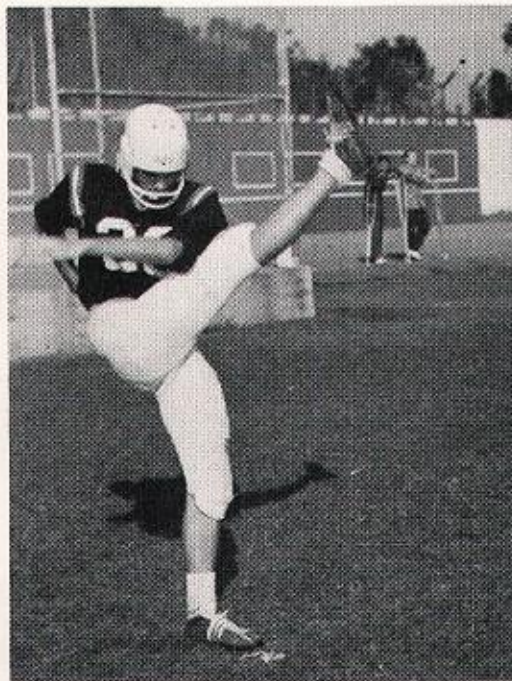

Puente forfeited to Huntington because of flu, so the Oilers scheduled a game with Paramount in which H.B. was trounced 34 to 6. Lady Luck turned the next three weeks into nightmares as the Oilers were beset with many injuries and dropped their next three league games to Anaheim 34 to 6, Newport 19 to 7, and Fullerton 26 to 0.

After four defeats in a row the spirited H.B. team was taped together and blasted the Highlanders of La Habra 34 to 18 for their second league victory. The Oilers going into the last game needed a victory to tie for third place, but they met a strong team in Garden Grove which clipped the Oilers 12 to 6.

The Varsity Gridders with their 167-pound line and 143-pound backfield ended the season with a 4 win, 5 loss and 1 tie record and fifth place in the Sunset League.

BEE FOOTBALL

Coach—Frank Munoz

Losing most of the '56 squad to the varsity and J.V. the 1957 Oiler bees went through a period of rebuilding. The middle-weights attained a mediocre record with two wins and seven losses. Although this isn't too impressive, many of these boys, having mastered the fundamentals this year, will fill the shoes of graduating varsity men.

VARSAITY WATER POLO

CO-CHAMPIONS

**Coach
Robert Borns**

Coach Borns and his Varsity Poloists had an outstanding year as they came through with a 6-win 2-loss record to be Co-Champions of the Sunset League with Fullerton.

The Oilers opened the season against Whittier and were dunked 7 to 0. In their second contest of the season the Argonauts of Garden Grove were the prey by a score of 15 to 5. The Downey Vikings were a little too tough to handle as H.B. was defeated 9 to 6. The next five games found the Oilers in first place with victories over Fullerton 10 to 3, La Habra 4 to 1, Jordan 12 to 2, Anaheim 10 to 5, and Garden Grove 17 to 6.

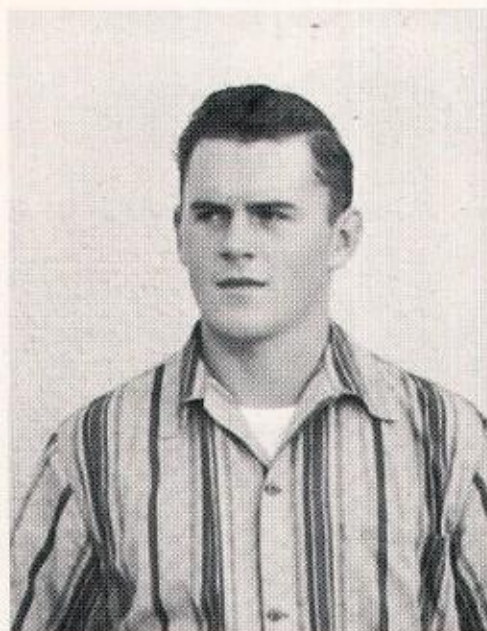

The Fullerton Indians tied for first as they edged H.B. 8 to 7, but the Oilers then smashed La Habra 11 to 2 to regain number 1 position with one game to go. The Anaheim Colonists pulled a major upset as they defeated Huntington 6 to 3.

In the C. I. F. playoffs H.B. met El Segundo and were slaughtered 14 to 4.

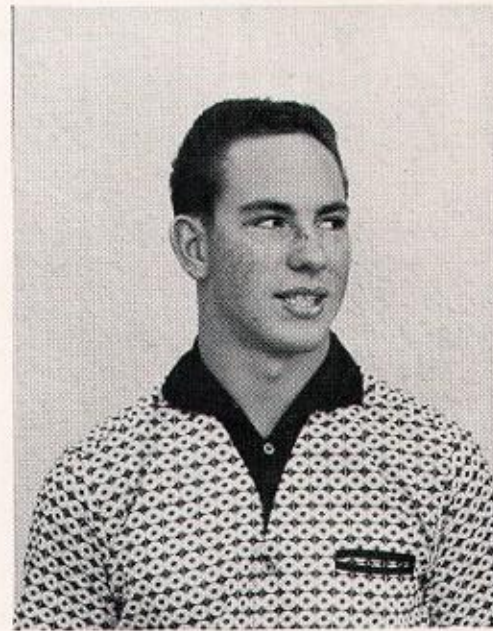

Three Oilers were selected for the ALL SUNSET LEAGUE WATER POLO TEAM — Raymond Bray, Center Forward; Ivan Umphenour, Forward; and Dale Bowman, Guard. Noel Bigler, Oiler Goal Guard, was selected for the SECOND TEAM ALL LEAGUE.

Building around one returning letterman, Coach "Tiger" Mosteller's varsity basketball squad lacked depth and experience to be a real threat in the Sunset League. The Oilers with their hot and cold brand of basketball, finished with a 11 win, 17 loss season record and a 4 win, 8 loss league record for fifth in the Sunset League. Although the win, loss column isn't too impressive, the Oilers lost six games by 2 points or less, which if they had won would have changed the outlook on the season considerably.

Huntington, led by Kim Stewart in scoring, 461 points for the season, placed fourth in the Huntington Beach Basketball Tournament.

Kim hit for 206 points in league competition which made him second leading scorer in the league and was selected for the All Sunset League Second Team.

Elected most valuable player was Kim Stewart and captain, George Farquhar.

VARSITY BASEBALL

Varsity sluggers, under the direction of Coach Frank Munoz are looking toward the Sunset League Crown. The Oilers strength lies in the ability of the players to play several positions. To date H.B. has a 6 win, 2 loss record. Huntington also sports a fine staff of hurlers with Pete Collignon, Ed Sukla, Bob White, Gary Wakefield, and Paul Grimes all who can handle the duties of the mound.

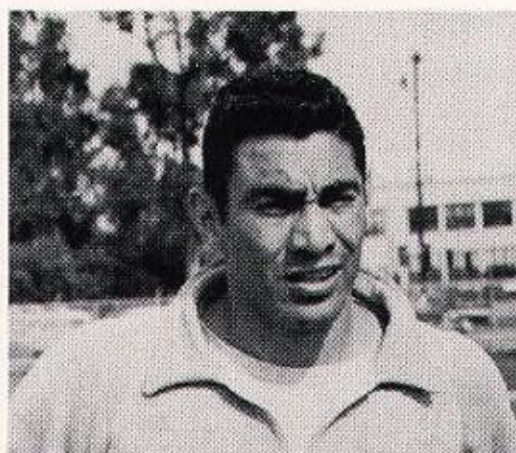

In the La Habra Tournament the Oilers were edged out in the semi finals 3-2 by the Anaheim Colonists, a strong league contender which H.B. will meet again in league competition.

FINALE

At last we have reached the top of our tower of memories. From here we can survey the past year and look ahead to the next. The staff hopes this book will help recall these wonderful days for you. Making our climb possible were these people: Mr. Turner, our advisor; Mr. and Mrs. Eddy Hall, our photographers; Bart Laughlin, our advisor from Mirro-Graphic Yearbooks; and the students and teachers who gave us their cooperation. Sharon, Paula, Jan, Bob, and I join in thanking everyone who contributed to the building of our Cauldron tower of memories.
